

## **JJAR Vendor Policy**

- Fill out the JJAR Reservation Form and submit it with the nominal administrative fee to the administrator in the front office.
- Products to be sold on the JJAR premises must be approved by the JJAR Management when Reservation Form is submitted.
- Vendors must provide their own folding table(s) and must not store anything in the Masjid.
- Each area assigned to vendors includes space for the table and about the same space for vendor's stock area. If the vendor occupies the area equal to two 8 foot tables, then the vendor will be assessed the double fee.
- Administrative fee is \$20 per table per day and \$10 for every other table. All fees are final. Rain or shine, no returns, refunds or credits.
- Vendors must clean their space at the end of each day. The vendor will be assessed \$20 fee if the area rented was not clean at the end of the day.
- JJAR is not liable for products sold by vendors on the JJAR premises. It is solely the vendor's responsibility for their products.
- JJAR Management reserves the right to modify or cancel this policy without prior notification.
