Dear Community Business Partner,

*Assalamu Alaikum!* We hope this finds you well by the mercy of Allah (SWT). As a valued member of the community, we reach out to you to inform that Jamaat Ibad Ar-Rahman (JIAR) is conducting its annual fundraiser on **March 25, 2018**. We are excited to let you know that the major focus of the fundraiser this year is to collect funds to rebuild the Fayetteville St. Masjid facility with various improvement features including additional prayer and parking spaces and better funeral facilities. However, one of the most immediate driving forces behind this development project is the fact that the current building is three feet below the flood plain. The Masjid building is about 50 years old. Substantial rains lead to a risk of flooding the building, suspending prayer services and damaging resources including carpet in the prayer hall. We had such an incident in 2016. Therefore, the new building has been designed with an engineering plan that is protective against flood damage. We expect to have your generous contribution to this Masjid development project as a long-lasting source of *sadqah-e-jariyah* for you & your family.

The fundraiser banquet includes speeches by speakers from around the United State and an exquisite dinner and it is going to be held at **Sheraton Imperial Hotel, Durham** *inshaAllah*. You are cordially invited with family to this JIAR annual fundraiser. The details of the fundraiser and information on purchasing tickets can be found at:
